Self. Society. World.

Build the tools to live with purpose and make a profound difference in the world, now and in the future. Self-Awareness. Cultural Understanding.

Social Impact. Leadership. Future-readiness.
A cross-disciplinary understanding of realities.

Changemakers offers workshops, mentoring, residencies, networks, conversations, and funds to help you be the change you want to see.

Whoever you are, wherever you've come from, all Homerton students are welcome at Changemakers.

And you can come to as little or as much as you want.

It's unique to Homerton. And it's free.
