THE CONSTITUTION AND GOVERNMENT

STATUTE 1

The Title of the College

The College shall be called Homerton College and its corporate title shall be The Principal, Fellows and Scholars of Homerton College in the University of Cambridge.

STATUTE 2

The Visitor

The Visitor of the College shall be the Chancellor of the University.

STATUTE 3

The Governing Body

(i) The Governing Body shall consist of the Principal and all Fellows.

(ii) The Governing Body shall possess the ultimate authority in the government of the College as a place of education, religion, learning and research, which authority it shall exercise in accordance with and subject to the provisions of these Statutes.

(iii) The Governing Body shall have power to make, vary or set aside Ordinances. No motion concerning an Ordinance shall be considered unless fourteen days’ written notice of the motion has been given to members of the Governing Body. An amendment to any such motion may be moved without notice and, if such amendment is approved, the motion as amended shall be deemed to have been proposed with due notice. A motion concerning an Ordinance shall be approved by the votes of a majority of the whole Governing Body. Ordinances shall be subject to the provisions of these Statutes and shall be binding on all members of the College.

(iv) The Governing Body shall have the power to do any act which by the Statutes of the University or otherwise is directed or authorised to be done by the College.
(v) The Governing Body shall appoint a Secretary to the Governing Body.

(vi) The Governing Body shall have power to appoint committees, whose membership need not be restricted to members of the Governing Body, and, subject to the provisions of these Statutes, to delegate to any such committees or to any College Officer such powers as the Governing Body shall determine.

(vii) The Governing Body shall hold an annual meeting called the Audit Meeting in the Michaelmas Term to approve the audited accounts of the College and the reports of the auditor, Audit Committee and the Bursar.

(viii) The Governing Body shall determine the amount of tuition fees and other fees and charges. The Governing Body shall determine the stipends and allowances of the College Officers, Fellows and employees of the College. The Governing Body shall have power to make grants and to provide benefits to the College Officers, Fellows, members of the College and other persons in pursuance of the purposes of the College.

(ix) In addition to the Audit Meeting, there shall be at least one meeting of the Governing Body each Term, and such other meetings as may be required.

(x) The Principal shall, at the written request of any ten members of the Governing Body, summon a meeting of the Governing Body. Such written request shall state the purpose of the proposed meeting. The Principal shall, upon receiving such a request, summon a meeting of the Governing Body to be held within twenty eight days. In the absence of the Principal and Vice-Principal a meeting shall be called by the next senior Fellow.

(xi) Except as provided in Statute 38 [Alteration of Statutes], seven days’ written notice of the time and purpose of a meeting of the Governing Body shall be given by the Secretary to the members of the Governing Body.

(xii) The Principal shall normally preside at meetings of the Governing Body, and if the Principal is not present the Vice-Principal shall preside, and if neither is present, the senior Fellow present at the meeting shall preside.

(xiii) The quorum for a meeting of the Governing Body shall be one half of all the members.

(xiv) Except where otherwise provided by Statute, a decision of the Governing Body shall be taken by a majority of the members present and voting, and in case of equality of votes, the person presiding shall have a second or casting vote.

(xv) The election of a Fellow other than an Honorary Fellow shall require the affirmative votes of not less than two-thirds of those members present at a meeting of the Governing Body.
(xvi) Where the election of a Fellow has been delegated to the Council, the Council shall give fourteen days’ notice to each member of the Governing Body of its intention to make an election. Such an election shall require the affirmative votes of not less than two-thirds of those present at the Council meeting at which it is considered.

(xvii) In any vote on the election, re-election, appointment or re-appointment of a member of the Governing Body to any College Office, Fellowship or employment in the College, or on any application of a member for leave of absence, or on the removal of a member from any College Office, Fellowship or employment in the College, that member shall not vote and shall not be counted in reckoning any necessary majority, or in the determination of the quorum in section (xiii) of this Statute.

(xviii) The Governing Body shall, subject to the provisions of these Statutes, have power to make rules regulating its own procedure.

(xix) Members shall not be absent from meetings of the Governing Body without good cause. If a member is absent from half the meetings in a single academical year without the approval of the Governing Body, given during the course of that academical year, then voting rights will be withdrawn from that member for the meetings in the following academical year.

STATUTE 4

The Council

(i) The Governing Body shall, by Ordinance made under Statute 3(iii), establish a Council to exercise on its behalf such powers of the Governing Body as may, subject to section (ii) below, be specified in that Ordinance or explicitly in these Statutes.

(ii) Neither the Council, nor any committee, nor any College Officer, shall be authorised to exercise the powers of the Governing Body relating to:

(a) the alteration of these Statutes, or

(b) the making, varying or setting aside of Ordinances, or

(c) any matter requiring a special majority of the Governing Body.

(iii) Except as provided in Statute 38 [Alteration of Statutes], seven days’ written notice of the time and purpose of a meeting of the Council shall be given by the Secretary to the members of the Council.

(iv) Except where otherwise provided by Statute, a decision of the Council shall be taken by a majority of the members present and voting, and in case of equality of votes, the person presiding shall have a second or casting vote.
(v) In any vote on the election, re-election, appointment or re-appointment of a member of the Council to any College Office, Fellowship or employment in the College, or any application of a member for leave of absence, or on removal of a member from any College Office, Fellowship or employment in the College, that member shall not vote and shall not be counted in reckoning any necessary majority, or in the determination of the quorum in section (vii) of this Statute.

(vi) Members shall not be absent from meetings of the Council without good cause. If a member is absent from half the meetings in a single academical year without the approval of the Council, given during the course of that academical year, then voting rights will be withdrawn from that member for the meetings in the following academical year.

(vii) The quorum for the Council shall be determined by Ordinance.

(iv) The procedure for election to the office of Principal shall be prescribed by Ordinance.

(v) The Principal shall not take part in the election of his or her successor.

(vi) If a Principal is not appointed within one year from the occurrence of a vacancy then authority for appointing the Principal shall pass to the Visitor.

(vii) Before entering into office the Principal shall be admitted by the Governing Body summoned for that purpose, after having read aloud the following declaration:

“I, A.B., accept the office of Principal of Homerton College and promise that I will fulfil the duties of that office to the best of my ability, that I will loyally observe the Statutes, Ordinances and good customs of the College, and that I will in all things endeavour to promote the peace, honour and well being of the College.”

(viii) The Principal shall vacate his or her Office if he or she becomes Head or a Fellow, other than an Honorary or Emeritus Fellow, of any other College in the University of Cambridge or the University of Oxford.

STATUTE 7

(v) The Vice-Principal shall not be out of residence without the leave of the Council during Term at the same time as the Principal. If the Vice-Principal is unable to act, an Acting Vice-Principal may be appointed by the Governing Body; otherwise the senior Fellow in residence shall act as Vice-Principal.

(vi) If the Vice-Principal is appointed Acting Principal under Statute 7 [The appointment of an Acting Principal], he or she shall cease to be Vice-Principal for the period in which he or she holds the office of Acting Principal. During that period an Acting Vice-Principal shall be appointed by the Governing Body.

(iii) The Bursar shall carry out such additional tasks or duties as the Governing Body or Council may determine.

STATUTE 24

The Dean

(i) The Governing Body shall appoint a Dean from among the Fellows.

(ii) The Dean, in consultation with the Principal as appropriate, shall be responsible for all matters concerning discipline, excluding academic matters, as defined by Ordinance.
(iii) The Dean shall have power, subject to Ordinance, to impose on a student such
disciplinary sanctions as he or she may consider appropriate, which may include the
imposition of a fine and which may include temporary, but not final, removal from the
College or any part thereof. At any stage in the consideration of a disciplinary matter,
the Dean may refer the matter to the Principal, and the Dean shall so refer a matter if
he or she considers that it may justify final removal from the College. In the event of
such reference, the Principal may impose on a student such disciplinary sanctions as
he or she may consider appropriate.

(iv) The Dean shall carry out such additional tasks or duties as the Governing Body or
Council may from time to time determine.

rules prescribed by Ordinance.

(ii) A person who has been granted leave of absence under section (i) above shall not
attend or vote at any meeting of the Governing Body during his or her period of leave,
other than a meeting summoned for the altering of a Statute or for an election to the
office of Principal; and, except for those purposes, shall be deemed not to be a
member of the Governing Body.

STATUTE 26

Academic Staff Statute

Part I General

1. Application

(i) This Statute applies:

(a) to any person holding a College Office, the duties of which are not of a
limited nature;

(b) to any person employed by the College to carry out teaching or
research save for those expressly excluded by the Council from the
scope of this Statute on the ground that the person’s duties in that
regard are of a limited nature; and

(c) to the Principal, to the extent and in the manner set out in Part VII.
For the purpose of this Statute, a person’s duties shall be taken to be of a limited nature if the remuneration for those duties is not the principal source of remuneration of that person; and, in relation to any particular person, the Council may resolve that the person’s duties are of a limited nature where the remuneration for those duties would not normally be the principal source of remuneration of the person performing them.

(ii) In this Statute any reference to “academic staff” is a reference to persons to whom this Statute applies. A “primary office or employment” in relation to a member of the academic staff means one by virtue of the tenure of which that person is a member of the academic staff. A “secondary office or employment”, in relation to a member of the academic staff, means one which is not a primary office or employment for that member; or in respect of which the duties are of a limited nature only; or which is either prescribed by Ordinance as secondary, or so specified at the time of appointment.

(iii) Nothing in any appointment made, or contract entered into, shall be construed as overriding or excluding any provision made by this Statute concerning a member of the academic staff; provided that this

(a) shall not affect the validity of any compromise agreement or any agreement or waiver of rights permitted by law generally; and

(b) shall not preclude any member of the academic staff agreeing to terminate his or her office or employment by the College on whatever terms may be agreed.

(iv) Parts II to V of this Statute shall not apply to the dismissal of a member of the academic staff from any secondary office or employment, provided that dismissal from a primary office or employment is not in contemplation. The Governing Body shall prescribe by Ordinance a procedure for dealing with removal from a secondary office or employment before its prescribed or normal termination date, which shall include provision for a hearing and an appeal.

2. **General principles of construction and application**

(i) This Statute and any Ordinance made under this Statute shall be applied and construed in every case to give effect to the following guiding principles:

(a) to ensure that members of the academic staff have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;

(b) to enable the College to provide education, to promote learning, and to engage in research efficiently and economically; and

(c) to apply the principles of justice and fairness.
(ii) Nothing in this Statute shall be construed as affecting the Statutes and Ordinances of the College concerning re-election on the expiry of a fixed term of a Fellowship.

3. Dismissal

(i) For the purposes of this Statute, “dismiss” and “dismissal” refer to academic staff and:

(a) include remove or, as the case may be, removal from office; and

(b) in relation to employment under a contract, shall be construed in accordance with a definition to be prescribed by Ordinance having regard to the meaning of those words in general employment law.

(ii) A member of the academic staff may be dismissed if that dismissal is for a reason prescribed by Ordinance having regard to the meaning of those words in general employment law.

(iii) A member of the academic staff may be dismissed

(a) by reason of redundancy in accordance with Part II of this Statute;

(b) for disciplinary reasons in accordance with Part III of this Statute;

(c) for incapacity on health grounds in accordance with Part IV of this Statute; and

(d) on other grounds, including the non-renewal of a fixed-term appointment or the non-confirmation of appointment at the end of an initial probationary period, in accordance with Part V of this Statute.

4. Hearing, appeal and grievance panels

(i) A panel established for the purposes of this Statute shall comprise three persons, none of whom shall have had any involvement with the matter that would make his or her participation as a member of the panel unfair.

(ii) The Governing Body may by Ordinance provide rules for the conduct of panels. Such rules may make provision for a panel to continue their consideration of a matter notwithstanding a reduction in their membership.

(iii) A panel established for the purposes of this Statute shall conduct a hearing into the matter before them. At any hearing, the member of the academic staff concerned shall be entitled to be accompanied by a representative or another person of his or her choosing.
(iv) A panel established for the purposes of this Statute shall give a reasoned decision in writing to the member of the academic staff concerned, which shall be reported to the Council.

Part II Redundancy

5. Application

(i) Nothing in this Part shall prejudice, alter or affect any rights, powers or duties of the College or apply in relation to a person unless:

(a) his or her appointment is made, or his or her contract of employment is entered into, on or after the twentieth day of November 1987; or

(b) he or she is promoted on or after that date.

(ii) For the purposes of this Section in relation to a person, a reference to an appointment made or a contract entered into on or after the twentieth day of November 1987 or to promotion on or after that date shall be construed in accordance with any generally applicable law.

6. Definition of “redundancy”

For the purposes of this Statute dismissal shall be taken to be dismissal by reason of redundancy if it is attributable wholly or mainly to:

(i) the fact that the College has ceased, or intends to cease, to carry on the activity for the purposes of which the person concerned was appointed or employed or has ceased, or intends to cease, to carry on that activity in the place in which the person concerned worked; or

(ii) the fact that the requirements of that activity for members of the academic staff to carry out work of a particular kind in that place have ceased or diminished or are expected to cease or diminish.

7. Procedure for dismissal by reason of redundancy

The Governing Body shall prescribe by Ordinance a procedure for dismissing members of the academic staff on grounds of redundancy. The procedure shall provide for an initial stage of consultation at the end of which the Council shall resolve whether or not to proceed with a reduction of staff by reason of redundancy. The procedure shall provide, after such resolution,

(i) for a process which is fair and which allows each member of the academic staff concerned, having been informed of the selection criteria to be employed, to make representations on his or her behalf;
(ii) for giving each member of the academic staff dismissed under this Part notice of dismissal and for informing him or her of the reasons for it.

8. Appeal against dismissal by reason of redundancy

(i) The procedure prescribed under section 7 of this Statute shall provide for an appeal to a panel by a member of the academic staff who has been given notice of dismissal under this Part.

(ii) The appeal panel shall be entitled to review all aspects of the matter other than the resolution of the Council to proceed with a reduction of staff by reason of redundancy.

(iii) The appeal panel shall have power to reach a final decision on the appeal, or to remit the matter back for further consideration.

Part III Disciplinary Procedures

9. Grounds for disciplinary action

(i) For the purposes of this Statute, “good cause” in relation to the dismissal or removal of a member of the academic staff means a reason which is related to conduct or capability or qualifications for performing work of the kind which the member was appointed or employed to do. Without prejudice to the generality of the foregoing, “good cause” may include the following matters so found under procedures prescribed under this Statute:

(a) conviction for an offence such as to render the person convicted unfit for the performance of the duties of the office or for employment as a member of the academic staff; or

(b) conduct of an immoral, scandalous, or disgraceful nature incompatible with the duties of the office or employment; or

(c) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of the office or employment; or

(d) physical or mental incapacity.

(a) “capability” means capability assessed by reference to skill, aptitude, health, or any other physical or mental quality; and

(b) “qualifications” means any degree, diploma, or other academic, technical, or professional qualification relevant to an office or position held.
10. Disciplinary procedures

(i) The Governing Body shall prescribe by Ordinance a disciplinary procedure for members of the academic staff, which shall provide for less serious matters to be dealt with by warnings following a procedure which is fair and which provides for a right of appeal against any warning.

(ii) The disciplinary procedure shall provide for more serious matters to be dealt with in a way which includes provision for

(a) fair and reasonable time limits for each stage;

(b) the investigation of complaints and the dismissal of those found to be without substance;

(c) suspension on full pay pending an investigation or hearing where that is necessary;

(d) a hearing by a panel, at which the member of the academic staff against whom the complaint has been made shall have had notice of the complaint, and shall be entitled to be present, to hear the evidence, to call relevant witnesses, and to examine and cross-examine witnesses;

(e) the dismissal by the panel of any complaint found to be without substance;

(f) the dismissal by them without penalty of a complaint found to be of substance;

(g) the imposition by the panel of an appropriate penalty or penalties, which, in addition to a warning or dismissal (with or without notice), may include suspension without pay for up to three months, the withholding of future increments, reduction in grade in any primary office or employment, removal from any secondary office or employment, and the substitution (as an alternative to dismissal, where in the opinion of the panel dismissal would be justified) of any lesser office or employment for any primary office or employment; and

(h) the award of compensation in respect of any loss caused or damage done.

11. Appeals

(i) A member of the academic staff shall have a right of appeal against the finding of, or penalty imposed by, a panel constituted under section 10 of this Statute.

(ii) Such an appeal shall be to a fresh panel, having no common membership with the panel who heard the matter at first instance. It shall include a hearing by the appeal panel, but that hearing shall not take the form of a re-hearing of the
evidence, and evidence shall only be heard as the appeal panel may determine in accordance with any Ordinance made under this Statute.

(iii) In determining an appeal, an appeal panel may substitute for the decision of the panel hearing the matter at first instance any decision that that panel might have made.

(iv) A dismissal by a panel hearing a matter at first instance shall be effective notwithstanding any appeal against such dismissal, unless either that panel, in giving their decision, or an appeal panel thereafter shall determine otherwise (subject to such conditions as the respective panel may impose).

(v) A dismissal or notice of dismissal shall be cancelled, withdrawn or modified if an appeal panel decides that the member of the academic staff should not be dismissed or should only be dismissed with notice. The cancellation of a dismissal shall have effect to reinstate the member of the academic staff as if no dismissal had occurred.

12. **Relationship with Part IV**

The Governing Body may by Ordinance provide for dealing with a case in progress under this Part where it appears that the conduct or capability of the member of the academic staff concerned may be attributable, wholly or in part, to a medical condition, but any proceedings under this Part shall be valid notwithstanding that they might have been brought under Part IV of this Statute, and a member of the academic staff may be subject to proceedings and to a penalty, including dismissal, under this Part notwithstanding the fact that his or her conduct or capability may have been attributable, wholly or in part, to a medical condition.

Part IV Incapacity on Health Grounds

13. **Dismissal on health grounds**

(i) This Part makes provision for dealing with cases of incapacity on health grounds in relation to members of the academic staff.

(ii) In this Part references to health grounds are references to capability assessed by reference to health or any other physical or mental quality.

(iii) The Governing Body shall prescribe by Ordinance a procedure for assessing incapacity on health grounds and for taking appropriate action in relation thereto, which may include dismissal.

(iv) That procedure shall include a hearing by a panel and a right of appeal to a fresh panel. The panel hearing the matter at first instance and the appeal panel shall each include a medically qualified person.
Part V Other Dismissals

14. Non-renewal of a fixed-term appointment

(i) The Governing Body shall prescribe by Ordinance a procedure, including appropriate consultation, for a review in each case where a member of the academic staff has been appointed to a primary office or employment for a fixed term and that fixed term is due to terminate. The review shall be to decide whether the office or employment should be allowed to terminate without renewal, or should be renewed for a further fixed-term, or should be extended to an appointment of indefinite duration.

(ii) The review may encompass matters which, in other circumstances, might fall to be dealt with under Parts II, III or IV of this Statute.

(iii) A decision that an office or employment should be allowed to terminate without renewal shall not be made unless it is judged to be inexpedient or undesirable to renew or extend the appointment by reason of one or more of the following considerations:

(a) the availability of funding for the office or employment, or the financial situation of the College;

(b) the performance of the member of the academic staff concerned (having regard to any warnings and advice relating to performance that he or she may have been given);

(c) the need for the office or employment or for the performance of the duties thereof;

(d) the nature and character of the office or employment; and

(e) the desirability of making the office or employment permanent and filling it through open competition.

(iv) The procedure under this section shall provide that, where it has been decided under subsection (i) of this section that an office or employment should be allowed to terminate without renewal, the member of the academic staff shall be notified of the reasons for that decision, and shall be afforded a further review of the matter.

15. Probationary appointments

(i) The Governing Body shall prescribe by Ordinance a procedure, including appropriate consultation, for a review in each case where a member of the academic staff has been appointed to a primary office or employment for an initial probationary period and that period is coming to an end. The review shall be to decide whether appointment to the office or employment should be confirmed, whether the initial probationary period should be extended, or
whether the member of the academic staff should be dismissed at the end of
the probationary period.

(ii) The review may encompass matters which, in other circumstances, might fall
to be dealt with under Parts II, III or IV of this Statute.

(iii) The procedure under this section shall provide that, where it has been decided
under subsection (i) of this section that dismissal should take place at the end
of a probationary period, the member of the academic staff shall be notified of
the reasons for that decision, and shall be afforded a further review of the
matter.

16. Dismissal on other grounds

The Governing Body shall prescribe by Ordinance a procedure for dealing with
dismissal on any other ground than those covered by Parts II, III, IV and sections 13
and 14 of Part V of this Statute. The procedure shall include the right to a hearing and
a right of appeal.

Part VI Grievance Procedures

17. Grievance Procedure

(i) The Governing Body shall prescribe by Ordinance a grievance procedure for
the settlement or redress of the grievances of members of the academic staff
which concern their offices or employments, where those grievances relate to
matters affecting themselves as individuals or to matters affecting their
personal dealings or relationships with other staff of the College, not being
matters for which express provision is made elsewhere in the Statutes.

(ii) The grievance procedure shall provide that consideration of a grievance may
be deferred if other proceedings under the Statutes relevant to the grievance
are pending or in progress.

(iii) The grievance procedure shall provide for the fair and speedy resolution of
grievances, informally wherever possible, and shall provide for the person
aggrieved to be allowed assistance by an appropriate person at any hearing.

(iv) The grievance procedure shall provide for a member of the academic staff who
is dissatisfied with the outcome of a complaint to be heard by a panel, unless
the complaint has been judged, in accordance with the procedure, as trivial,
vexatious or outside the scope of the procedure.

Part VII Removal of the Principal from office

18. Removal of the Principal from office

(i) The Governing Body shall prescribe by Ordinance a procedure for the removal
of the Principal from office. Any variation made to that procedure shall have
no effect in relation to the Principal in office at the time of such variation until
he or she has consented to it, but such variation shall otherwise be binding and effectual.

(ii) The procedure for the removal of the Principal from office shall provide for

(a) the initial consideration by the Council (exclusive of the Principal and the complainant Fellows) of a complaint by any three Fellows seeking the removal of the Principal from office for good cause;

(b) the dismissal by the Council of such complaint if they are of the view that it is not supported by sufficient evidence of good cause for removal from office;

(c) otherwise, the appointment by the Council of a panel to hear and determine the matter, which panel shall comprise three persons who are not Fellows and are not employed by the College, one of whom holds, or has held, judicial office, or who is a barrister or solicitor of at least ten years’ standing, that person to be chair of the panel;

(d) the removal of the Principal from office if the panel decide that there is good cause for such removal;

(e) a right of appeal to a fresh panel, also constituted in accordance with (c) above, against a decision of removal from office; and

(f) where the complaint is of incapacity on health grounds, the inclusion on the panel hearing the matter at first instance and on any appeal panel of a medically qualified person.

(ii) In relation to the management, development, improvement, sale, lease, mortgage or other disposition of any land or any estate or interest therein held by the College, or to the acquisition of any land or any estate or interest therein, the Council may exercise any power and may carry out any transaction which an individual, holding or acquiring such land, estate or interest for their own benefit, could exercise or carry out.
(iii) The powers conferred by this Statute shall apply to all endowments, land, securities, property and funds of the College. They shall also apply to any specific trust for purposes connected with the College of which the College is trustee which existed on the date of the approval of these Statutes by Her Majesty in Council; and, to the extent that the law permits, they shall also apply to any such fund created after that date.

(iv) In order to facilitate the management of College Funds and Trust Funds under the College’s control, the Council may at any time resolve that all or any part of the endowments or other funds of the College and of the funds of any specific trust for purposes connected with the College of which the College is a trustee (hereinafter called the constituent funds) be treated as a consolidated fund invested for the rateable benefit of the constituent funds and to and upon any such resolution the following provisions shall apply:

(a) A consolidated fund shall be held on behalf of the constituent funds in shares as nearly as may conveniently be proportionate to their respective capital values upon the first constitution of the Consolidated Fund; such shares shall be fixed by resolution of the Council. The Council may at any time increase or decrease any consolidated fund by adding thereto new constituent funds, adding to one or more existing constituent funds, or withdrawing all or any part of one or more constituent funds, and upon any such increase or decrease shall fix the share of such constituent funds in proportion to their respective value as a fraction of the value of the whole fund on the date of the addition or withdrawal or may bring all or any of the shares into a new or other consolidated fund in accordance with the provisions of this sub-section.

(c) The Council may appropriate annually for expenditure to the constituent funds of a consolidated fund as much of the fair value, as prescribed by Ordinance, of the consolidated fund as it considers in its absolute discretion is prudent having regard to the total return achieved and reasonably to be expected in the long term of the consolidated fund, appropriating it in proportion to the constituent funds at the time of the appropriation.

(d) In the preceding section “fair value” means the amount at which an asset could be exchanged in an arm’s length transaction between informed and willing parties, other than in a forced or liquidation sale and “total return” means return in terms of both income, whether received or accrued, and capital appreciation, whether realised or unrealised.

(e) Any surplus appropriation to a Trust Fund may at the discretion of the Council be expended in any subsequent year or be invested and added to the capital of the fund or be applied for the general educational purposes of the College.
(f) In the preceding section ‘surplus appropriation’ means monies appropriated but unexpended in any year after the purposes of the Trust Fund have been fully provided for in that year (whether wholly by distribution from the trust or partly by expenditure from the trust and partly by other monies).

(ii) The Principal shall then either declare that there has been no contravention, or that there has been a contravention and the act is of no effect; or, if the Principal is of the opinion that any irregularity has not significantly affected the result, that the validity of the act is not affected by such contravention.

(iii) If the Principal has not announced his or her decision within twenty days after receipt of the representation, or after the announcement of his or her decision if within that time, any member of the College may within one week appeal in writing to the Visitor, whose decision shall be final.
