

FINANCIAL UNDERTAKING FORM

It is a condition of admission that we receive this form fully completed and signed. Please read this form very carefully before signing it. You must send the original form – we cannot accept photocopied, faxed or e-mailed versions of the form.

By signing this form you are giving the University of Cambridge and its Colleges your assurance that you are able to pay your University and College fees and otherwise support yourself financially during the whole period of your studies at Cambridge.

Under no circumstances should you sign this form if you are in any doubt whatsoever about whether you have sufficient funds for your fees and living costs (e.g. costs of room rent, utilities, food, clothing, research-related costs, books, transport, entertainment, etc).

You should bear in mind that currency fluctuations could affect your future ability to pay your fees and cover your living expenses. We recommend, therefore, that you consider whether to convert any non-sterling capital into sterling to protect it against any subsequent drop in value. **If you are re-admitted, neither the University nor the Colleges undertake to support financially in the event that you experience financial difficulties.**

You should note that it is not possible to take paid work while you are studying full-time at Cambridge, and you must not expect to provide additional income in this way.

A failure to provide accurate and honest information about your financial situation will be treated seriously by the University and/or your College and may lead to the cancellation of your admission.
