First Year Undergraduates are all accommodated in West House.

Prices differ for First Year Undergraduates since Continuers spend more days in residence.

Postgraduates are generally in residence for much longer periods and as such have much higher total accommodation costs.

PGCEs are generally not housed in Morley House.

UG Year 2, Non-Finalists is a category meant to include all Undergraduate Second Years, as well as Third Years on 4+ year courses who are therefore not in their final year.

The vast majority of Morley House accommodation is single, rather than double. Double rooms are generally reserved for those with particular need.

Whittle Avenue accommodation is not available to Undergraduates.

For Postgraduates, there is very limited availability for Whittle Avenue and availability is decided on a case-by-case basis.
